

We have used Riverview Industries for several years utilizing their welding service. They have provided a high level of service and professionalism on the many projects we have worked together on. We have found Kavan and his staff to be very dedicated to accurate, timely delivery, excellent service, communication, reliable and the quality of the completed work is excellent.

We would highly recommend Riverview Industries to anyone looking for this type of product and service.

We just wanted to say thank you for the great jobs you have done. Your company is very professional and customer oriented. It is nice to be treated as a valued customer. Our thanks to you and your staff.
